BRUCE ROCK FOOTBALL CLUB

It was a bit of a mixed bag last week, with plenty of positives to take from the Colts and League performances, while unfortunately the Ressies saw their season come to a disappointing end.

The Colts put together what was probably their most well-rounded performance of the year, taking down Corrigin in a strong all-round display. Max Strange was outstanding in the ruck, controlling the ball and giving our midfielders first use, which led to consistent forward entries throughout the game. Up forward, Olly Henderson provided a great target and made his opportunities count, hitting the scoreboard multiple times.

The Ressies followed but couldn't replicate the performance against a well-skilled KK side. We had plenty of opportunities to move the ball forward but struggled to keep it in our forward half long enough to build and maintain pressure. Charlie Garoni found plenty of the ball, while Lachy Tippett was also prominent. Jo Fuchy played an excellent shutdown role and worked hard to limit the influence of his opponent. Ultimately, we weren't good enough on the day, and unfortunately that brought our season to a close.

In the League, it was an arm wrestle for the most part. We got off to a good start, but Nukarni fought their way back into the contest and were well and truly in the hunt heading into three-quarter time. A good regroup at the final break saw the boys lift another gear and pull away comfortably in the last quarter, securing the win and keeping our season alive.

Lachy Gray was instrumental off half-back, providing plenty of drive and composure. Jack Norrish continues to do Norro things, putting in another solid performance when it mattered. On the wings, Cale Scott and Adam Sedgwick both worked hard in both directions, defending as strongly as they attacked, which was great to see.

The League boys now face KK in the Preliminary Final this week, while the Colts also continue their finals campaign against Narembene.

Good luck to both the Colts and League sides this week.

Godspeed, boys. Bring it home!

BURRACOPPIN FOOTBALL CLUB

What a weekend! Both grades in the footy are straight through to the big dance, and all three Netball grades get the chance to play off for a Grand Final spot this weekend!

The Ressies had the tough task of taking on Nukarni, but kicking with the breeze, they jumped out of the gates, kicking the first five goals, including a ripper from Connor Davey! The second quarter tightened up around the contest, with both sides managing just one goal each. The third quarter was where Porky and his Ressie boys put the foot down, kicking away and finishing the game with the last six goals.

Best on ground went to Tom Lane, Nash Barnett and Lincoln Withers.

Gerald Brown took home the Ressies Coaches award (Nutrient Ag Solutions) and cat of the week for all his work he puts in week in week out!

The League boys came up against Kulin Kondinin for the second straight week. Kicking into the breeze, the lads got off to a great start, working hard around the contest to take a four-point lead into quarter time. In the second, the breeze helped the boys extend their lead to 25 points through their spread and hard running. The Blues fought back in the third, dominating territory and bringing the margin back to just eight points. In the last, Codan Daddow was able to break free, kicking three majors as the Cats marched home to secure their first Grand Final appearance since 2002!

Best went to Nicholas Davidson, Ollie Martin and Darcy Lowe (Merredin Frieghtlines) while Zane McQuistan took home the Coaches Award (Bruno's Mechanical)

On the Netball courts, all three grades played fantastic and secured impressive victories to advance to the Preliminary Finals, where they'll play off for a spot in the Grand Final!

So get out to Corrigin and show your support for the ladies as they look to make it 5/5 Netball and Footy teams in Grand Finals!

Finally, a huge Congratulations to Codan Daddow, who has had an unbelievable season at the Cattery. That form was recognised on Monday night with a well-earned Miller Medal! What a season, Codan!

KULIN/KONDININ FOOTBALL CLUB

Our Reserves took on Bruce Rock in the semi-final, with two sides who have played some great footy all year and already had a couple of good battles during the home-and-away season. We knew it was going to be a tough game, and that the Blues would need to hit the ground running and take charge of the contest early.

The boys started strongly, taking an 11-point lead into half time, but Bruce Rock weren't going away without a fight. The Blues responded with a huge third quarter, pushing the margin out to 25 points and putting themselves firmly in control.

Had they broken the back of Bruce Rock? Indeed they had. The boys kicked away in the final term to notch a great victory and book their place in this week's preliminary final. It was the sort of performance that will fill the group with plenty of belief heading into another massive game.

The League boys faced Burra in Merredin, just a week after battling them in the wet. This time conditions were much better, and the opening quarter was a tight contest with both sides fighting hard for the early advantage.

Burra managed to break the game open in the second term and took a handy lead into the main break. But our Blues came out after half time ready to fight, clawing their way back into the contest with a strong third quarter.

Unfortunately, we couldn't quite sustain the momentum, with Burra kicking away in the final term to finish convincing winners.

Despite the result, the Blues showed plenty of fight, and they'll be taking that straight into this weekend's preliminary final. We know our best footy is good enough to get us there — now it's about bringing it when it matters and earning our spot in the Grand Final.

NUKARNI FOOTBALL CLUB

The Nukarni league side travelled to Kulin on Saturday to take on Bruce Rock in a do or die semi final. A tremendously even contest around the ground made scoring opportunities difficult to come by for both sides. Unfortunately for the Dees, Bruce Rock proved better at taking their opportunities in front of goal and kicked away in the last quarter to knock the league boys out of the finals. Better players on the day included Darcy, Jack and Diesel. Well done to Mick and his staff and all the league guys on a good season, I'm sure everyone is looking forward to 2027 already.

On Sunday the reserves played Burracoppin hoping to lock up a spot in the Grand Final with a win. Unfortunately Burra proved too strong, kicking away early and maintaining their momentum all day to defeat the Dee's and send us into a prelim final against Kulin/Kondinin. Swizz, Ox, Reuben, Gav and Lachie Marriott all doing their best on a tough day for the boys. As always a big thanks to all our members and supporters to turned up to cheer us on in week one of finals.

This week sees the reserves go head to head with Kulin for a spot in the grandy. Hope to see you there. Go Dees!

Nukarni Netball kicked off their finals campaign; B grade secured a spot in the big dance. Tough luck to our A1 girls who fell short in their elimination final. A beautiful day to play some awesome hockey with our pals from Bruce Rock! A Grade played a solid game, using all their skills and working together as a team. The girls held off Bruce Rock until the 3rd quarter. The girls fought hard and gave it their all, solid effort ladies!! B Grade took the turf with confidence, high energy and determination. The play was equal throughout the game with many, many shots on goals, they just did not want to go in, we fought hard until the final whistle and gave it our all. A BIG BIG thank you to our superstar coach Todd, we appreciate your guidance and support throughout the whole season, we know it isn't an easy gig coaching fiery gals and guys, but you have played such a huge part in our growth this season and you should be very proud! Thank you again to all our volunteers your help does not go unnoticed.

Don't forget to come down to BK and support our juniors.
