NUKARNI FOOTBALL CLUB

The Reserves travelled to Corrigin last Sunday to take on Kulin/Kondinin in a prelim final with a spot in the grand final on the line.

The boys got off to a dream start in the first term kicking 4 goals to none, however Kulin/Kondinin returned the favour in the second quarter to leave the score all tied up at half time.

A good third quarter, inspired by a great goal from Swizz saw the boys open up a couple of goals worth of breathing room, but KK didn't go away.

A see-sawing final term had the crowd on the edge of their seats, the margin as little as 2 points at one stage before the siren sounded leaving the Dees victorious by 4 points. Anthony Hayden in the best for his 3 goals, Gav, Snappa and Swizz all working hard through the middle of the ground and Willow the best of the backmen.

Shout out to all our supporters who drove out to Corrigin to cheer the boys on last week. This week is what footy dreams are made of as we take on Burra in a derby grand final, hope to see you there. Go Dees!

Good luck to our B Grade netty girls as they take on Naremburn in the Grand Final this weekend! We can't wait to see you take the court. Give it everything, we'll be cheering you on all the way! Our juniors were the last Hockey Dees to take the field for the season, and boy did they come out eager to win! Our junior team is a lot younger and newer than most of the other teams, but they brought their A-game on Saturday against a strong, top-of-the-ladder Burra side. They worked amazingly as a team, created plenty of opportunities and had multiple shots at goal, but unfortunately it just wasn't meant to be this season.

They went down in the knockout preliminary final, but their growth throughout the season has been absolutely commendable.

So much improvement, confidence and teamwork from this bunch!

Bring on 2027 for our junior hockey Dees!

BURRACOPPIN FOOTBALL CLUB

And here it is... Grand Final Week!

What a season it has been at the Cattery, with two footy teams into the Grand Final and A1 pulling off a fantastic win to book their ticket as well!

Unfortunately, B Grade and A2 fell short in their Preliminary Finals, but what fantastic efforts across the season. Everyone should be incredibly proud of what they have achieved! For A1, it was a fast-paced battle against Kulin, but the girls got the job done and now have the chance to chase a maiden premiership!

In the footy, both sides earned a week off after great wins in the Semi Finals and now get their chance on the big stage.

There's a bit of history to this one...

The last time the mighty Cats played in a League Grand Final was 2004 and half of this year's league side weren't even born yet! To find the last League Premiership for Burra, we have to go all the way back to 1992, 34 years ago. While under Porkie's guidance, the Reserves have enjoyed fantastic success over the past four years and will be hoping to add another flag to that tally.

But that got us thinking...

When was the last time both League and Reserves played in a Grand Final at the Cattery? You guessed it... 1989! And they didn't just play they made it 2 for 2! With household names like the Antonio's, Kerses, Downsboroughs and Garletts representing the club.

So, let's get down to Kulin on Saturday and get behind the A1 girls as they strive for their first flag! Then it's off to Narembreen to get behind the footy lads as they look to break the League premiership drought and do something that hasn't been done at Burra in 37 years... WIN THE DOUBLE!

KULIN/KONDININ FOOTBALL CLUB

What a year it's been for the Blues. Less than a goal away from having all three teams in the Grand Final, and with our League and Juniors still in the big dance, it's a bloody special achievement for the club.

The whole club has put in an enormous effort over the past few years to get to where we are today, and everyone involved deserves to be commended. From the players across all grades, to the volunteers who give up their Saturdays to make it all possible, to our coaches for their commitment and belief, our sponsors for their continued support, and everyone who turns up each week to get behind the Blues — this is a whole-club achievement.

Last Sunday showed exactly what this club is about, with both our senior sides putting on an absolute demonstration of Blues determination.

For the Reserves, it was a heartbreaking conclusion to a brilliant season. After Nukarni got the jump early and opened up a four-goal advantage, our boys fought their way back into the contest and came agonisingly close, eventually falling by less than a goal.

While there will naturally be some thoughts about what might have been after those opening 20 minutes, it would be wrong to let that overshadow the brilliant season that got them this far in the first place. This Ressies side has been outstanding all year — a special mix of experienced players and youth — and it's been fantastic to watch so many of our players grow in skill, confidence and belief over the past couple of seasons. They should be immensely proud of what they've achieved.

And while the Ressies' season came to an end, our League side produced one of its best performances of the year to book its ticket to the Grand Final.

We've had a couple of thrillers against Bruce Rock this season, and the Preliminary Final was no different. Bruce Rock got away to an early lead, but whatever Westy said at quarter time certainly worked. The Blues surged into action, kicking 10 of the next 12 goals to take control of the game.

We carried a 30-point lead into the final quarter before Bruce Rock came charging home, but our boys dug deep, held their nerve and did what they needed to do to clinch the win and earn their place in the Grand Final.

It hasn't been an easy road. We've had a tough year with injuries and there are a few players we desperately wish could still be out there. But every time we've been challenged, our boys have stepped up and shown just how good they can be when they play Blues footy.

We've accomplished a bloody lot this year, and there is already plenty for everyone associated with the club to be proud of.

But today, it all comes down to this.

Our Juniors and our League side have four quarters of football ahead of them — four quarters to make 2026 a year they'll never forget.

The whole club is behind you. Go Blues!
